## MINISTERS' CONFERENCE

We are sorry to have had to cancel January's conference. We pray that our ministers are staying healthy during this particularly difficult season. On February 7, our guest speaker is David Roberts discussing, *Are We Really Family: Rethinking Church/Minister Relations*. We look forward to benefiting from his wisdom in this area. And of course, we will fellowship over lunch afterward.

On April 4, prison chaplain Gilbert Nash will present *Faith-Based Reentry*. There are over 2 million people incarcerated in the United States. More than 94% of them will be released back into society. What is the Church's response? Matthew 25:36 tells us to visit those in prison, and we should, but we need to also find ways to safely receive former inmates back into our communities. Prison doesn't just take someone's freedom, it takes their employment, much, if not all of their savings, often it takes their families from them, and leaves them with a stigma of being an "ex-con." How can the church safely respond to both the practical and spiritual needs of those returning from prison?

Gilbert Nash is a Federal Bureau of Prisons Life Connections Chaplain specializing in faith-based reentry; He is also a Reentry Employment specialist with the BOP. He has 15 years' experience in corrections 11 as a chaplain and 15 in juvenile probation (while in bi-vocational ministry). He will be sharing some practical ways local churches can safely minister to the families of the incarcerated as well as minister to those returning to society from prison. The church is uniquely situated to help restore both individuals and families, meet physical needs and share the Gospel with the incarcerated and their families.

Do you have an area of expertise that would be of benefit to PBA pastors, or do you know someone who does? We would love to hear from you. Do you have a topic that you would like to hear that we haven't covered? Let us know and we'll try to arrange it. The Ministers' conference is held for equipping of the Association's pastors so that we may learn together and be more effective for our Lord.

We look forward to seeing you soon!

In Christ,

Mike

## RELENTLESS

*“But we do not belong to those who shrink back and are destroyed, but to those who have faith and are saved.” Hebrews 10:39 (NIV)*

Winter months can bring gray skies and days of lethargy..... or they can bring times of renewal and preparation for new seasons of growth and ministry.

Just as the earth goes through seasons - spring, summer, fall, and winter- so do we. It's usually during the “winter” season that most people get discouraged. Often, during this season we don't see much (if anything) happening in our lives, like the seemingly dead trees around us. Remember, however, that the trees (though bare of their leaves and any new growth) don't die in the winter time ... they are just dormant. They are taking a rest, drinking in nutrients, getting prepared for the next season when they will have to put on new buds and leaves. Their sap may be low, but it's still there. The trees still have life in them!

Maybe you are feeling your “sap” is low. Maybe God is allowing you to have a “resting” period in order to prepare you for the next season of your life... which will be the season to blossom. So, enjoy the winter; you're still alive! Take advantage of this time to regroup. Each season doesn't last forever, so make the most of each one as it comes. (We need all of them.)

Only one month into the new year, and sadly we've already faced more cancellations of our missions events and meetings due to the increased cases of COVID and other illnesses throughout the churches of the PBA - The Association Women on Mission Meeting (Jan. 17<sup>th</sup>) and the Children's Winter Missions Day Camp (Jan 22<sup>nd</sup>).

The **PBA WMU Leadership Team** will meet **Wednesday, February 2<sup>nd</sup>** at 10am – PBA Complex, to continue plans and discussion for our WMU Annual Meeting in April and other upcoming events.

Begin now to make your plans for **WMU Focus week – February 6<sup>th</sup> – 12<sup>th</sup>**, and/or **WMU Focus Sunday - February 20<sup>th</sup>!** This is the perfect time to highlight the RELENTLESS work of the WMU in your church and community.

**Relentless Prayer – Relentless Reconciliation** – Join with other Southern Baptists as they prepare to celebrate **Racial Reconciliation Sunday** in their churches **February 27<sup>th</sup>**. Let's not give up fighting for what is right, even when it's hard. As the body of Christ, we are to be living examples of the Gospel message that represent His work on the Cross through the ministry of reconciliation.

Please note: Children's Missions Day (statewide) is being moved from February to September 2022.

**Week of Prayer for North American Missions and Annie Armstrong Easter Offering – March 6<sup>th</sup> – 13<sup>th</sup>**. Support missions efforts across the United States, Canada, and their territories by providing prayer guides and offering envelopes to your congregation.

**World Water Day – March 22** – Raise awareness of the global water crisis. Consider highlighting the work of Pure Water, Pure Love, a WMU Compassion Ministry that supplies missionaries and the people they serve with water filters and wells.

**YOUR HOUSE IS ON FIRE!**

Several years ago Dottie and I were getting ready for bed when we heard firetrucks and rescue vehicles on our street. As we went to the front porch we noticed that one of the houses on our street was engulfed in flames. I can remember the feeling of helplessness and lifting a silent prayer on behalf of those affected. The house was destroyed. Fortunately, by the grace of God the occupants were spared.

The prophet Amos warned the backslidden Israelites, ***“Seek the Lord, and ye shall live; lest he break out like fire in the house of Joseph, and devour it, and there be none to quench it in Bethel”*** (Amos 5:6).

Sadly, the people of Israel continued to ignore the words of God. They seemed unaware and even more disturbing, they were unconcerned. Who is God raising up to warn your family, your neighbors, or co-workers that their spiritual houses are on fire?

February is called the “Love Month”. What can we do as the Petersburg Baptist Association to warn those in our communities and tell them of God’s love? It first must begin with you and with me. And who knows, maybe we can even work together.

Jude 23 tells us, ***“And others save with fear, pulling them out of the fire; hating even the garment spotted by the flesh.”***

Growing up in South Carolina I can remember as a child taking a pine needle and stirring it in the sand and reciting, “Doodlebug, doodlebug, your house is on fire.” And then the small creature, also known as the ‘ant lion’ would appear.

What, or who will God use to stir up those who need to be warned. Our prayer should be that God use us. We should never use the excuse that someone else will help, or that there is nothing I can do.

Let’s get busy in 2022.

Serving HIM by Serving You,

Pastor Fred
