

## 2022 CAMP KEHUKEE USAGE FEE SCHEDULE

The flyer enclosed shows the new rates for Camp Kehukee. All churches should have received the new fees as well as those that have a reservation for 2022. Please review those rates to ensure you are in agreement before you arrive to your camp date.

One major change that might affect you this summer is there is no longer a Youth Camp Credit. Please review the fees with those camping at Kehukee to plan accordingly.

Friends of Kehukee Contribution Form is located on the reverse page of the insert.

## MINISTERS' CONFERENCE

We appreciate David Roberts presenting *Are We Really Family: Rethinking Church/Minister Relations* at our February conference. We gained a lot of needed insight and had a great discussion as well. Understandably, some were unable to be present due to the funeral of Rev. Malcolm Hutton. We continue to pray for his family.

For the March conference, Dr. Roger Crump will present "Caring for Caregivers." This will be held March 7 at 10:30 AM at the Association Complex.

On April 4, prison chaplain Gilbert Nash will present *Faith-Based Reentry*. There are over 2 million people incarcerated in the United States. More than 94% of them will be released back into society. What is the Church's response? Matthew 25:36 tells us to visit those in prison, and we should, but we need to also find ways to safely receive former inmates back into our communities. Prison doesn't just take someone's freedom, it takes their employment, much, if not all of their savings, often it takes their families from them, and leaves them with a stigma of being an "ex-con." How can the church safely respond to both the practical and spiritual needs of those returning from prison?

Gilbert Nash is a Federal Bureau of Prisons Life Connections Chaplain specializing in faith-based reentry; He is also a Reentry Employment specialist with the BOP. He has 15 years' experience in corrections, 11 as a chaplain and 15 in juvenile probation (while in bi-vocational ministry). He will be sharing some practical ways local churches can safely minister to the families of the incarcerated as well as minister to those returning to society from prison. The church is uniquely situated to help restore both individuals and families, meet physical needs and share the Gospel with the incarcerated and their families.

Do you have an area of expertise that would be of benefit to PBA pastors, or do you know someone who does? We would love to hear from you. Do you have a topic that you would like to see discussed that we haven't covered? Let us know and we'll try to arrange it. The Ministers' conference is held for the equipping of the Association's pastors so that we may learn together and be more effective for our Lord.

We look forward to seeing you soon!

In Christ,

Mike

## RELENTLESS

*“But we do not belong to those who shrink back and are destroyed, but to those who have faith and are saved.” Hebrews 10:39 (NIV)*

Ah, soon it will be Spring! Soon our yards and flower beds will be filled with blossoms and blooms, yielding their bounty of color, fragrance and yes, pollen. I really enjoy the Spring season (with the exception of the pollen!), but I discovered some time back that what I really enjoy is gardens, not gardening. Gardening requires maintenance: watering, fertilizing, mulching, and pulling weeds. Maintenance was low on my “enjoyable” list.

The Christian life is sometimes like that. We fall in love with Jesus, with His Word, with serving and becoming more Christlike. Everything is beautiful, until it’s time for maintenance. The discipline of faithfulness challenges us; temptation distracts us; and difficulties threaten to overwhelm us. Growth requires intentionality and being relentless. To keep the garden of our heart beautiful and well-watered, we must cooperate with Jesus, the Master Gardener. Sometimes that work costs us time, comfort, maybe even pain. But a well-watered, maintained garden – whether a physical one or a spiritual one – will yield and proclaim His beauty. Cooperate with Jesus by incorporating a spiritual discipline such as time in His Word, or prayer. He will make you like a beautiful well-watered garden.

### **March 6–13 – Annie Armstrong Easter Offering and Week of Prayer for North American Missions.**

Jesus prayed for His church, that we would be one, just as Christ and the Father are one. (John 17:11) Be united with the churches of our Association, and churches across North America as we follow Jesus’ example of praying and the mission of sharing His message of hope with a lost and divided world that desperately needs to be saved from sin and reunited with the Creator. As you read the missionaries’ stories and pray for them this week, consider how you’re a part of the effort as God’s mission moves forward. Our gifts to the AAEO helps missionaries live and work in some of North America’s darkest corners. Both our gifts and our prayers help shine light and bring hope.

**March 22 – World Water Day.** Did you know that more than 2 billion people around the world lack access to safe drinking water? Every day, more than 700 children under age five die from diseases linked to unsafe water, poor sanitation, and poor hygiene. 3 billion people do not have access to handwashing facilities with soap. *Pure Water, Pure Love* is a WMU Compassion Ministry that provides vital water resources to those who need it most around the world. As followers of Christ, we are to carry on His mission to the poor. God’s Word challenges us to care for their needs in real and tangible ways. *“If anyone has material possessions and sees a brother or sister in need but has no pity on them, how can the love of God be in that person? Dear children, let us not love with words or speech but with actions and in truth.” (1 John 3:17-18)* Through PWPL, you and your church can help meet the physical and spiritual needs of people who are poor. For more information, visit [wmu.com/pwpl](http://wmu.com/pwpl).

Plans continue for our **PBA WMU Annual Meeting, Tuesday, April 12, 2022** – The meeting will be held in the sanctuary at the PBA Complex in Petersburg, beginning at 9:45 am. Our guest speaker will be Dr. Valerie Carter-Smith, Executive Director/Treasurer of the WMU of Virginia. In addition to a wonderful morning of worship and fellowship, we have some important items of business to address. I look forward to seeing you there!

### WORD FROM THE WISE

Just so we are clear, I'm not claiming to be all that wise. In fact, I'm far from it but I am still learning. However, I do want to share a thought.

Have you ever been in a group of folks and no matter what you or others said, there was that one individual who had all the answers? And maybe under your breath, as you walked away, you said, "Know It All"! I know I have, and unfortunately, there have been times when I had to ask, 'Did I just say that out loud'?

Colossians 2:3 reads, "***In Christ are hid all the treasures of wisdom and knowledge.***" True wisdom naturally dwells outside of us, but the fear of God will bring it into our hearts. Wisdom helps us respond properly to correction or even understanding our mistakes.

Having wisdom and the fear of God gives us freedom from the fear of all else. Wisdom brings us happiness and joy and peace. Wisdom can be tool if used by God.

So, as the Petersburg Baptist Association, let's uncover those hidden treasures of wisdom and knowledge and put them to good use. We can...if we will!

Challenge Accepted!

Serving HIM by Serving You,

Pastor Fred

### **KEHUKEE COUNCIL**

Has your church made plans for using Camp Kehukee in 2022? Dates are still available.

Your camp is in top shape awaiting your booking or use, whether overnight or daytime only use. Occasionally a church group staying overnight is too large to fit the upstairs accommodations, and must have some sleep downstairs in sleeping bags or inflatable mattresses. Where this becomes an issue, we do have a large number of extra single mattresses in the basement that can be pulled out and placed on the carpeted floor for use. This is much more comfortable than a sleeping bag, and easier than inflating a mattress than begins to deflate halfway through the night.

Tent camping sites on the Halifax Road end are in place. Shower and restroom facilities, as well as a large pavilion are nearby. We even have the necessary components in place for outside cooking around a fire. Information and cost can be found in the newly revised Camp Kehukee Regulations. If your church needs a copy, call the PBA Complex and make a request.

Very soon we will publicize our next Kehukee work day. Hopefully we will get the word out in sufficient time for many to provide their assistance. We already have a couple items planned.

Kehukee Council Church Representatives, we need you to attend our quarterly Kehukee Council Meetings, take part, and share vital information with your church congregants. What we do cannot be accomplished correctly by a handful of people. As often stated, it must be an US effort.
