Glad Tidings Good Cheer and Happy New Year!

For God so loved the world, that He gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life. John 3:16

Joy and merriment abounds during the holiday seasons, especially during Christmas time where gifting is the order of the day. Whether it be a tangible item, time spent, or sentiments sent, it's all about the unselfish act of giving.

This is why we pause again to give thanks and remember the greatest gift of all—Jesus Christ our Lord and Savior who has been crowned King of Kings and Lord of Lords.

Christians are the salt of the earth and the light of the world. Let the sharing of the Gospel be our first priority in this new year. This is one resolution that we absolutely can keep if we love the Lord with all of our heart, mind and soul and love our neighbors as ourselves as the word commands, how can we not.

May you have a new year crowned with joy and peace.

Thou crownest the year with thy goodness; and thy paths drop fatness. Psalm 60:11

Miracles Still Happen!

Just as December was a month of endings, so becomes January, a month of beginnings. God has promised us that we can do all things through HIM. However, we must not only believe God is still in the miracle business, but we must also do all we can under His guidance to do that which we are capable of doing.

The Petersburg Baptist Association has been dealt another huge concern with the conference center at Kehukee. It seems the work that was done several years ago on the basement wall to help shore it up was not done properly. It will be a very costly repair, but we are confident that the churches and members of the PBA will once again save the conference center. It will take a miracle.

The Kehukee Team Leaders are not searching for the cheapest way to fix the issue. Instead, they are searching for the most secure way of fixing the issue at the Conference Center. It will be expensive. Last month we celebrated the miracle of the birth of our Lord and Savior. Throughout our lives we have celebrated the miracles in our own lives, including our wonderful, priceless salvation.

Let's get excited about 2026 and all that God has in store for us. It may not always be a smooth ride, but may we pray that God will make it a safe one.

**Please join us for the Executive Council meeting on Monday, January 19, 2026.
